The chief reason that Uric-O is such a won-
derful cure for Rheumatism is that it is de-
signed and prepared to cure Rheumatism
and Rheumatoid only. It does not contain any al-
cohol or other so-called tonics to make one
feel better for the time being, but is composed
of substances for the rheumatic acid poison in
the system. This is the secret of its wonderful
success. Rheumatism simply cannot exist in a
person's system if Uric-O is used.

Uric-O is sold by The Red Cross Pharmacy,
the home of Uric-O in Barre, at 25c and \$1.00
the bottle, but if you still feel skeptical about
its efficacy, you can test it free of charge by cut-
ting out this advertisement and sending same
together with your name and address, to the
Burlington Branch, N. Y., and they will
send you a sample bottle free. To persons who
write and say they have never used Uric-O,
want to test it thoroughly and will agree to take
it systematically according to directions, they
freely send a regular 25c bottle free.

The report of Chief of Police Thomp-
son, of Bellows Falls, would indicate
from the fact that there were twelve
less arrests this year than last, that
these twelve were for drunkenness and
disturbance. However, the number of
arrests under that heading this year is
127, and last year it was 117. The
total number of arrests for 1906 was
154 and for 1905 it was 142.

Green Cut Bone the Cheapest Poultry
Food.

food that will increase egg production
during the winter when eggs are
high has been solved by those farmers
who purchase green cut bone for their
poultry. C. S. Page of Hyde Park, Vt.,
grinds many thousand pounds annually
of this material and is this year selling
it for \$3.00 per barrel of 200 pounds

you cannot use a barrel yourself, get
some of your neighbors to join in with

MORE DIVORCES GRANTED.

Windsor County Court Still Busy at the
Separating Mill.

Woodstock, Feb. 5.—In Windsor
county court the suit of Alonzo F. Hub-
bard, of Plymouth vs. August Taylor et al
for reversion occupied the most of
the past week. The land of Warren
Taylor, deceased, late husband of An-
gusta Taylor, lies in Plymouth, and a
portion of it sold for taxes was pre-
sented by Mr. Hubbard. The defense
claimed that the wrong piece of land was
sold, and that it belongs to Mrs. Taylor.
Various deeds and town records were
put in evidence, and town officers ex-
amined. Judgment has not been re-
ndered.

D. D. Howe has sued H. N. Peor on a
writ of superseas. Both parties live
in Woodstock, and the trouble arose
over some hay which Howe had of Peor
and for which Peor got a judgment of
\$30 and costs in a justice's court. The
plaintiff claimed that he knew nothing
about the suit until he was arrested on
the execution, and that then the records
of the justice's court could not be found,
and it was alleged that they had been
carried away by one of attorneys.

The following divorces were granted:
Alice L. Clifford, of Randolph vs. Walter
H. Clifford, of Randolph. Cause No. 10.
Cause No. 11. Alexander, of White
River Junction, vs. William B. Alex-
ander, bill granted for intolerable
severity; Guy E. Baker vs. Emma A.
Baker, bill granted for adultery; Fred-
mont H. Gilson vs. Carrie B. Gilson, bill
granted for desertion.

The court took a recess until Mon-
day, February 10, and in the meantime
will attend a hearing in Ludlow.

FIRE AT BETHEL.

Double Tenement Destroyed—Sole Ten-

Bethel, Feb. 5.—A double tenement
belonging to Fred Lewis burned to the
ground yesterday morning about 6
o'clock. The family who formerly lived
there moved out last week, but the
lower tenement was occupied by Ar-
thur Wilcox. He saved a part of his
furniture. There was no insurance on
the goods. The building was valued at
\$2,500, insurance \$1,800. The fire was
caused by the burning out of the chim-
ney.
